

# FINOVATE EUROPE 2016

**FEBRUARY 9 & 10**  
**LONDON**

"For online personal finance nerds - like your humble correspondent -  
Finovate is the Super Bowl and World's Fair rolled into one."

- MARY PILON, WALL STREET JOURNAL THE WALLET

**FINOVATEEUROPE.COM**

## What is Finovate?

Finovate is the only conference series focused exclusively on showcasing the best and most innovative new financial and banking technologies. Finovate conferences consistently attract large, high-impact audiences of senior financial and banking executives, venture capitalists, press, industry analysts, bloggers, regulators, and entrepreneurs.

The conference series debuted to rave reviews in the fall of 2007 in New York City, added a West Coast version in San Francisco in the spring of 2008, and unveiled a European conference in London in early

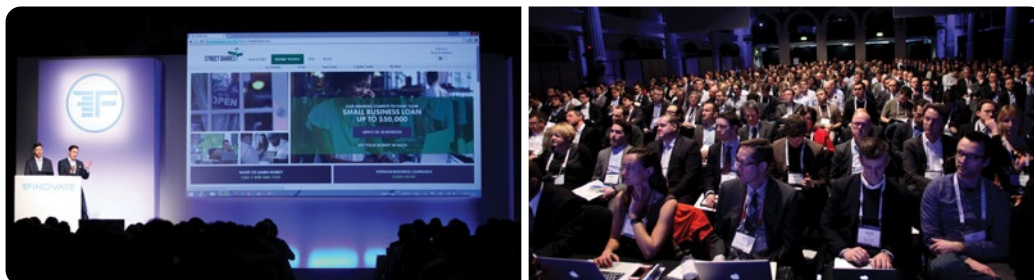

"Finovate felt like stepping into the future of finance with genuinely innovative companies challenging conventional wisdom."

- Aman Narain, Group Head of Remote Banking at Standard Chartered Bank

## What makes Finovate unique?

### Short Demos of Innovative Financial Technology

Each handpicked company gets just seven minutes on stage to show their latest and greatest innovations (without using slides or pre-recorded video).

### High-Impact Networking Sessions

In addition to the innovative demos, we have interspersed just the right amount of networking time where you can talk directly to senior executives from the demoing companies and your fellow attendees.

## Who attends FinovateEurope?

Finovate attracts senior financial, banking, and technology executives, influential press, expert analysts, innovative entrepreneurs, deep-pocketed venture capitalists and other industry leaders. We hosted a record-setting crowd of over 1,250 attendees in 2015 and we expect to see even more interest in 2016.
